Good governance depends on a robust governance eco-system where all parties are co-operating in harmony and compliant to the rule of just and equitable laws, to protect stakeholders’ and public interest.

This Symposium seeks to bring together decision makers from diverse companies and industries to discuss processes and solutions for enhancing governance, which in turn will support the continuing development of a healthier and more robust governance eco-system.

AARON GERARD SANKAR
Aaron is a Partner from the Corporate Department of Lee Hishammuddin Allen & Gledhill. His primary areas of practice include mergers and acquisitions, joint ventures, corporate restructuring, corporate governance, infrastructure projects and securities. He also regularly advises on cross border transactions, corporate & commercial law and insurance regulatory matters. Aaron is listed as a “notable practitioner” by the IFLR1000 and was recently recommended in The Legal 500 Asia Pacific 2019 rankings. He is a contributor to several legal publications, including the Lexis Nexis Practical Guidelines and Getting the Deal Through (Corporate Governance). Aaron holds an LLB (Hons) from University of London and is an Advocate & Solicitor of the High Court of Malaya.

BENJAMIN McCARRON
Ben is a specialist consultant with the Asian Corporate Governance Association (ACGA), covering Malaysia and Thailand. Based in Singapore, he is also the Founder and Managing Director of Asia Research & Engagement (ARE). Focus areas include the development of responsible investment and sustainable finance in Asia, sustainable real estate, sustainable protein, and energy transition. Before moving to Asia, he was an analyst for The Cooperative Asset Management (now Royal London Asset Management) in the UK, where he led the integration of environmental and social analysis into the investment and engagement processes. He was also the lead author of two “Good Companies Guides” published in The Observer. Prior to this, he was a fund manager at Framlington. Ben graduated with joint honours in Maths and Philosophy from University College, Oxford.

DAVID WILLIAM BERRY @ DAYAN WAZIR BERRY
David Berry is Deputy President of the Malaysian Institute of Corporate Governance, and a Director of the Malaysian Investors Relations Association. He has over 30 years experience in financial services, with over 20 years in the commercial sector and in corporate consulting. He was an Executive Director at Boustead Heavy Industries Corporation Berhad, where he had also served as Senior Independent Director and Chairman of the Audit Committee. He had held senior positions with several international banks, including Standard Chartered Merchant Bank, with a posting as CEO of Chartered Merchant Bankers Malaysia, and headed Affin Fund Management Sdn Bhd. He had also served as Executive Director/Chief Executive of Cahya Mata Sarawak Berhad, and headed the Corporate Governance, Investor Relations and Financial Communications practice at Columbus Circle Governance Sdn Bhd. David is an active contributor to corporate governance thinking and teaching, and was a founding contributor, faculty member and Programme Coordinator for Bank Negara Malaysia’s Financial Institution Directors’ Education Programme.

JIM ROBERTS
Jim is the Global CISO for Retail Banking, Private Banking & Wealth Management at Standard Chartered. He has held senior positions at National Australia Group, Royal Bank of Scotland and ABN AMRO. A passionate exponent of ‘getting the basics right’, Jim drives awareness of cyber security risk at the top of financial institutions, working with CEOs to secure investment in data protection and resilience. He is currently leading the implementation of a new cyber governance framework, establishing a ‘first line’ in his business to manage the latest threats against the banking industry.

LIEW KIM YUEN
Kim Yuen is Director of Forensic & Litigation Support at Ferrier Hodgson MH Sdn Bhd. He has had extensive experience in the audit, merchant banking, commercial and regulatory sectors in Malaysia. During his 12 year tenure with the Securities Commission Malaysia (SC), he was Head of the Financial & Corporate Surveillance unit of the SC. He was also an advisor on the Malaysian Accounting Standards Board and served as a Council Member of the MIA. He is a member of the MIA and qualified with the ICAEW.

MICHELE KYTHE LIM
Michele is President/CEO of the Institute of Corporate Directors Malaysia (ICDM), and has extensive experience in corporate governance and boardroom matters that include board, committees and director effectiveness evaluation, competency development needs, remuneration and succession planning, legal and compliance, and corporate performance. Prior to ICDM, she was Group Head, Corporate Secretarial and General Counsel with IHH Healthcare Berhad. She had also served with Proton Holdings Berhad in various positions including as General Manager, Chief Legal Counsel, Group Legal, Secretarial and Compliance, and was a member of the senior management team and Group Management Committees. Preceding this, she was Assistant General Manager of Legal Affairs and Risk Division at Pengurusan Danaharta Nasional Berhad. Michele commenced her career in 1992 with law firm, Shook Lin & Bok. Michele is a Barrister-at-Law at Middle Temple, London, England; and an advocate and solicitor of the High Court of Malaya. She holds an LLB Hons degree from University of Wales, Aberystwyth, UK (1991) and completed the Senior Management Development Programme of Harvard Business School, she is also a licensed company secretary.

MOHD ZABRI ADIL TALIB
Zabri is Head of Digital Forensics at CyberSecurity Malaysia. He plays a major role in ensuring the competent and efficient overall strategic and operations of CyberSecurity Malaysia (CSM) digital forensics services; and cyber forensics Research, Development and Operational (R&D&O) initiatives. He is also an ASCLD/LAB certified Assessor. Zabri has vast experience in handling computer crimes, computer-related crimes and forensics examination for various law enforcement agencies in Malaysia. This includes handling of e-discovery cases for civil claims. He has completed the digital evidence case investigation circle by testifying in the Malaysian Intellectual Property Inquiry, including many high-profile cases.

RAJEV PESHAWARIA
Rajeev is the Chief Executive Officer and Executive Director of Iclif Leadership and Governance Institute Ltd. He has over 20 years of experience at The Wall Street Journal and Amazon best-seller Open Source Leadership (McGraw Hill 2017), Too Many Bosses, Too Few Leaders (Simon & Schuster 2011), co-author of Be the Change (McGraw Hill 2014) and a regular writer for Forbes. He is an out-of-the-box thought leader on leadership, management and corporate governance. He has extensive global experience in leadership and organisational consulting, with a particular focus on uncovering personal and organisational “leadership energy” to multinational corporations.

SIMON TAY PIT EU
Simon is the Executive Director of the Professional Practices and Technical Division of MIA, where he directs and contributes to the technical activities of MIA on areas such as integrated reporting, financial reporting, audit and assurance and taxation, and provides technical support to 14 boards/committees. Previously, he was an Executive Director at PwC Malaysia and has over 20 years of experience in auditing, specialising in statutory and special audits across a broad spectrum of industries. He has been involved in instructing courses on audit methodology and conducting public and client-specific workshops on the application of accounting standards. He was involved in the implementation of a new auditing software in Vietnam. Simon is a member of MIA and CPA Australia.

TAN CHENG YEONG
Cheng Yeong is a Partner and leads the Digital Trust & Security Practice at Deloitte. He has over 20 years of experience with a specialist team of over 100+ helping clients on a wide spectrum of technology risks such as IT transformation projects, business applications, data management & analytics, privacy, cybersecurity, software licensing, and IT audits. He is a Certified Information Systems Auditor (CISA), Certified in the Governance of Enterprise IT (CGEIT), and is a member of the SIRIM Technical Committee on Information Security. He has extensive background in his dealings with complex systems & processes across various industries including Financial Services, Telecommunications, Energy, Oil & Gas, Utilities, Media & Entertainment, Logistics & Aviation, Industrial products, FMCG and Services.

PROF DR IR VINESH THIRUCHELVAM
Prof Vinesh is Dean of the Faculty of Computing, Engineering and Technology at the Asia Pacific University of Technology & Innovation (APU). He completed his PhD at University Tun Abdul Razak, Malaysia in 2006. He attained his CEng from Engineering Council, UK in 2011, and is a Fellow of the Institute of Mechanical Engineers (I MechE-UK). Prof Vinesh has been the Chairman of the Engineering Education Technical Division (E2TD) at the Institute of Engineers Malaysia, advisory to EIMASB, member of the Ministry of Education’s STEM Task Force directly involved with development of the MoE’s 2015 Education Blueprint, member of the Ministry of Human Resources’ BPIC on quality of graduates, member of National Task Force for Big Data Movements with Malaysian Digital Economy Corporation (MDHC), and is currently contributing to the Malaysian National Framework for AI via MDEC. His core scholarly research areas are in Sustainable Development, Reliability Engineering using Smart Devices with IoT via Secure Infrastructure and Data Analytics with Business Intelligence.
